**PLEASE PRAY!**

**THE CHILDREN OF GHANA  
NEED OUR HELP.**

## **THE PROBLEM:**

- On Lake Volta there are about 20,000 children in slavery.
- They are taken from their parents at a young age and often tricked by the fishermen.
- They often work 16 hours a day with 1 meal.
- Many children drown or die from disease.

## **PRAYER REQUESTS:**

- Pray for these children's physical, mental, and spiritual freedom.
- Pray that the Holy Spirit will convict and transform the oppressors.
- Pray that God will give the 3D-FREE team wisdom to make the proper decisions to help these kids.
